*Cannabis policy is being made—with or without Detroit voices in the room. DCIA is how we show up, organize, and fight for the industry we built. Join the DCIA and build power with us.*

**Detroit Cannabis**  
Industry Association

## Join the Detroit Cannabis Industry Association (DCIA)

Detroit's cannabis trade association – uniting licensed operators, equity entrepreneurs, service providers, and community allies to build power, policy, and prosperity for Detroit's cannabis economy.

**Let's build Detroit's cannabis
